A. LISNER

Hours: 8:15 to 5

G STREET

## Two Pages Boiled Down Made One

This Palais Royal August Sale of Home Needs occurs in a building greater by 42,000 square feet than last August, meaning greater stocks, merely glanced at in the five pages used today—in the Star, Post, Herald, and Times. This Times page tells the last moment news, not in the morning papers, and also includes the essence of the best news in the Star, Post, and Herald. A careful study of this page will be worth many dollars to every head of a home, hotel, or institution.

No. 5 Cutter (fine)—For making Peanut Butter or anything required extremely fine.

### A Cook Book Presented

FREE—A book of 16 pages, invaluable to the housekeeper who would create delicious dishes at little cost. One book is given with each Chopper. Basement Store, 4 elevators.

### Duplex Fireless Stoves

NOTE—The efficient and safe way the stove is insulated. NOTE—The great economy of space, giving the Duplex Stove a large cooking capacity. NOTE—The deep wells make it possible to cook a small quantity as successfully as a large quantity, because every article of food that is being cooked assists in cooking other articles of food placed in the same well. When one article only is being cooked, the lower vessel may be filled with boiling water, thus insuring enough heat units in the well to cook thoroughly, even if the quantity of food is very small. NOTE—The exclusive DUPLEX CONSTRUCTION is such that a whole meal can be cooked, either for a large or small family.
